# NOTIFICATION

Ride Manufacturer: CHANCE RIDES MANUFACTURING, INC.	Affected Production Dates: All
Ride Name: C.P. HUNTINGTON	Affected Serial Nos.: All Units
Model No.: 102	
Abstract of Issue: Crossing Gate and Signal	
Reason For Release: Chance Rides Manufacturing, Inc. has developed a new crossing gate and signal to help control traffic at pedestrian and automobile crossings. The flashing red lights and bell are activated automatically, then the gate lowers to guard the crossing as a train approaches. An electric linear actuator and complete automatic control ensures smooth, dependable operation.	

Action to be Taken:  
 The new crossing gate and signal can be installed on most existing railroads which already have a Chance electric crossing signal. Contact Chance Rides Manufacturing, Inc. for detailed information and specifications on this product.

Chance Rides Manufacturing, Inc. issues notifications for the benefit of owners of amusement rides manufactured by Chance Rides Manufacturing, Inc. As a service to the industry, and in the interest of employee and public safety, Chance Rides Manufacturing, Inc. also issues notifications for the benefit of owners of amusement ride equipment for which the manufacturer no longer exists, such as the Allan Herschell Company, Chance Manufacturing Co., Inc., Chance Rides, Inc., etc. In doing so, Chance Rides Manufacturing, Inc. does not assume liability for losses associated with amusement ride equipment built by manufacturers other than Chance Rides Manufacturing, Inc.
